

The Department of Geological Science and Geological Engineering (GSGE) at Queen's University invites applications from suitably qualified candidates interested in teaching the course Paleontology (GEOL/E 337). This is an in-person teaching, course with an expected enrolment of 50 students. Candidates should have a M.A. or M.Sc. or Ph.D, and teaching experience at the university level in Paleontology. This is a winter term appointment for the period January 1, 2025 to April 30, 2025, with classes in session from January 6, 2025 to April 4, 2025.

The University invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity and inclusion in the workplace and encourages applications from Black, racialized/visible

University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during process, please contact: GSGE, Sarah Bernard,
