INTRODUCTION

This volume provides an update to the 1986 bibliography on aboriginal self-government in Canada, published by the Institute of Intergovernmental Relations as part of the project on *Aboriginal Peoples and Constitutional Reform*. The original bibliography was produced in preparation for the 1987 First

a useful tool for individuals interested in pursuing the topic of aboriginal self-government in Canada.

This update contains only new references and does not reproduce

references already contained in the previous volume. It includes material produced to the end of 1990. The format is, for the most part, similar to the format of the previous bibliography, and many of the same headings are used. Because there are fewer references, some of the categories have been collapsed

SOMMAIRE

Cet ouvrage propose une mise à jour de la bibliographie portant sur le gouvernement amérindien autonome au Canada publiée en 1986 par l'Institut des relations intergouvernementales; cette initiative faisait alors partie d'un projet consacré aux peuples autochtones et à la réforme constitutionnelle. La bibliographie originale fut réalisée en vue de la Conférence des premiers ministres de 1987 sur les peuples autochtones et les questions constitutionnelles. Depuis 1986, beaucoup de travaux ont été accomplis relativement au gouvernement amérindien autonome dont la bibliographie précédente ne put évidemment pas tenir compte. Le présent ouvrage comprend l'ensemble des documents produits ponctuellement aux fins de la Conférence des premiers ministres de 1987, ainsi que les diverses tentatives visant à analyser ses résultats et ses conséquences. Qui plus est, du fait de l'incapacité d'enchâsser dans la

d'avoir accès aisément à un répertoire central de références en la matière; elle a aussi pour objectif de renseigner nos lecteurs sur la documentation existante sur
