

# Lower fares now available in Economy class

Your Corporate Discount Just Got That Much Better.

We heard you and your colleagues are excited to provide you with more options to choose from in Economy class.

What you need to know:

- Lower prices in our Economy fare are now available to book with your corporate discount.
- Always use our code, even when booking Escape. Those sales are still tracked and count towards your annual volume.
- Your discount can also be used when traveling for leisure.
- Spread the good news and grow your discount!\*

For more information on pricing and conditions attached to each fare plan [click here](#).

\*As discount levels are based on annual sales, reminding your colleagues and travel agents to add the code to every booking is the best way to ensure you get the discount you deserve.
