

implementation plan. Add further explanation, if necessary, in lher

1. Academic Unit Report

1.1 Recommendation 1 The Reviewers recommend that a Departmental Retreat be held to discuss curriculum, staffing priorities, and the future leadership of the Department.

Proposed followup:	Organize retreat; invite developer from CTL
Responsibility for leading follow-up:	Head
Timeline for addressing recommendation:	By Oct 2019

<p>What is the current status of the follow-up?</p> <p>Include a completion percentage</p>	<p>In process</p> <p>75%</p>
<p>Please provide a brief description of the current, completed or planned work</p>	<p>Since the CPR, our one new hire has enabled us to introduce innovative new courses on ethnicity and indigeneity, slavery (being proposed this year), scientific terminology, and more. We have also been actively incorporating significant material of contemporary relevance in all our history and Greek/Roman literature and civilization courses including issues of cultural appropriation, misappropriation, race and ethnicity, slavery, and imperialism.</p>

If the recommendation has not been fully addressed within the proposed timeline, please provide a rationale as well as a plan for moving forward.

If the recommendation has not been fully addressed within the proposed timeline, please provide a rationale as well as a plan for moving forward

The department has not had full-time Latinist—one of the key disciplinary positions for our field—since 2006 due to t fie6ul T4o b Br3 Tw 11.04 -0 5 ()Tj 7.7me-4.6

If the recommendation has not been fully addressed within the proposed timeline, please provide a rationale as well as a plan for moving forward	This is an ongoing process and efforts continue with enthusiasm

1.6 Recommendation 8: The Reviewers recommend SSHRCC funding opportunities be explored and applied for in order to nurture greater research intensity, drawing on the Grants and Institutional Programs unit of University Research Services.

Proposed followup:	Work with the School of Graduate Studies and the Office of Research Services explore potential research funding, to build capacity and productivity, and enhance the student learning environment especially for graduate students
Responsibility for leading follow-up:	Head

Timeline for aded1 1(i)2.9 43

3. Decanal (School of Graduate Studies and Postdoctoral Affairs) Response (if applicable)

3.1 Include any general comments on the Progress Report:

We are pleased to see the progress made by the Department since the 18 month implementation plan report and look forward to the continued efforts to develop the program
