acknowledgement in departmental workloads.			
3. That the dean of arts and science's office ensures the program adequately understands the new budget model as it relates to resource management and development of tactics to enhance the program's strategic planning and advancement.	with relevant associate dean and cultural studies' steering committee.	to the CUST community aatroge on	

Additional Comments:

informed.

Pleasedentify any new initiatives that would be part of the upcoming CPR

Since the previous CPR we have:

Initiated a oneyear MA including a professional development component
Redesigned the website, guidelines, and other pullabiting material
Selectedand redesigned one course, CUST803, Cultural Studies Past and Present, as a required introductory course for all students

Tasks underway:
