Teacher grinned an evil grin,  
And laughed an evil laugh.  
Now we learn our fractions,  
Cut a whole,  
to get a half!

They grabbed the teacher's wand,  
And used their math-ly knowledge,  
Divided teacher,  
16 times,  
They should have been in college!

His friends saved little Nate,  
To end the teacher's curse,  
Rushed his 4-poor pieces,  
Right to the school's dear
