

On April 28, we will discuss with Senators the framework of the plan, expanding on the approach we have taken and highlighting some of the significant turning points that occurred during the consultation process. Please go to the Task Force website <http://www.queensu.ca/sapf/> and click on the Drafting link to review the preliminary version. Sections will be posted as the first drafts are developed and we continue to welcome input throughout the process.

Our

The APTF's consultations between January and April included the following:

Principal Woolf, January 19

Senate (preliminary oral report), January 20
