n	EQUITY:	,
v.	LWUII I.	

This program's planning, development and implementation should be consistent with the equity goals of the University and must avoid direct, indirect and systemic discrimination.

A bachelors degree in business will be a major criterion for admission to the Graduate Diploma

• The Graduate Diploma - Accounting can be launched using existing Goodes Hall classroom facilities as this program will run in the months of May to July inclusive. Administration for the program will be accommodated in the existing space utilized by the Master of Management Program Office as they will be managing the operations of the Diploma program

9. FINANCIAL RESOURCES:

There should be evidence of sufficient resources to introduce and maintain the program for a
