Athletics & Recreation
Annual Report
For the period September 1, 2009 to August 31, 2010

It

The transition to the new Athletics & Recreation Centre (ARC) was another major activity for the Department. Originally scheduled to take place in September 2009, the opening took place in December (with the Grand Opening in January 2010). This meant that the move, which was originally scheduled to take place over several months, was actually conducted in a mere 72 hours. Special appreciation goes to the A&R Facilities Team, the AMS, PPS Staff, the Contractors and Cleaners for a tremendous effort culminating in the ARC doors opening at 6:00 a.m. on December 3, 2009.
