

Hospital Departmental Impact & Information Form

Please complete this form for Hospital-based Research. Researchers are to complete this form IF they checked "YES" to Question 1.6 in the TRAQDSS FORM. Check out "Tips Sheet for Completing TRAQDSS FORM for Hospital-based Research" to confirm whether your project is considered "Hospital-based Research".

Information from this form will provide hospital departments the information they need to determine if they can support the study and to ensure smooth and efficient implementation of your research project.

Please attach this form along with your research study proposal/protocol summary and budget/budget justification (if applicable) to the TRAQDSS FORM under "Attachments". Draft versions of the documents are acceptable. All these documents are required before any Hospital Operational Director(s)/Research Director(s) can approve a TRAQDSS FORM. Check out "Tips Sheet for TRAQDSS FORM" for more information.
