News and Updates

The 2019 Maclean's university rankings were released on October 11, 2018. Queen's placed fifth overall amongst Canada's 15 medical-doctoral universities. The highest marks for Queen's include second place in faculty awards, a testament to the high quality of faculty that work at Queen's, and also to the dedicated investment in submitting award nominations.

The Office of the Vice-

Dr. Ahmed Hassan (School of Computing) has been elected to the RSC College for his
